Drafted & Reviewed:01/10/2025 GLP											
Dianeu & K											
Implementation Notes Comments:Treatment is accessed North of Townline Road to the West of Walsh Road. Forest roads to the											
north and east of treatment are brushed in and not accessible to equipment without additional work. Lowboy will not make it into treatment area and should be left at Townline.											
- Sale was not chipped. Slash was laid flat however there are areas of heavy slash loading and larger tops which were required to be broken down. Chopping is required to get good trenches. Be aware there are											
		ps that were dou					dware there e
