

An aerial photograph of a forested area with orange grid lines. The grid lines divide the image into sections. In the top-left section, there is a label '22'. In the top-right section, there is a label '33N 5E'. In the bottom-left section, there is a label '27'. In the bottom-right section, there is a label '34'. The forest is dense and green, with some cleared areas and small ponds visible. The orange grid lines are prominent and run horizontally and vertically across the image.
