

Historical Marker - L2021 - McKeown Road Bridge (Marker ID#:L2021)

Front - Title/Description

McKeown Road Bridge

This steel Pratt through truss bridge was erected for Hastings Township in 1903. The township contracted with the Massillon Bridge Company of Massillon, Ohio, for \$2,090, to fabricate and erect the steel bridge. In operation from 1869 to the 1930s, the firm was a leading producer of metal truss highway bridges throughout the lower Great Lakes region. The McKeown Road Bridge is the last metal truss highway bridge in Barry County.
