

## Historical Marker - L160 - Linden Mills (Marker ID#:L160)

### Front - Title/Description

#### *Linden Mills*

The Linden Mills were a vital source of this village's economic growth. The first mill, located on the land granted to Consider Warner, was used to cut lumber. From 1845-50 Seth Sadler and Samuel W. Warren, local residents, erected both a saw and grist mill. Operating along with the earlier facility, this complex was called the Linden Mills. The gristmill continued to function for over a century until the machinery was dismantled and sold at auction in 1956. The village then purchased the building for municipal offices and a public library.

#### **Significant Date:**

Statehood Era (1815-1860)

**Registry Year:** 1971    **Erected Date:** 1979
