Front - Title/Description

Wooden Stone School

In 1850 the Reverend Robert Wooden built this school, located in Cambridge School District No. 6. It is an example of early fieldstone construction, commonly found in the southern part of the Lower Peninsula. The school closed in 1955, and in 1979 was condemned by Cambridge Township. A group of citizens convinced the township to postpone demolition; in 1983 the site was deeded to the Wooden Old Stone School Association. The group restored the schoolhouse in 1989.
