

Historical Marker - L411 - Florence B Dearing Museum (Marker ID#:L411)

Front - Title/Description

Florence B Dearing Museum

Hartland Township was settled in 1831. On this site distinguished early citizens Robert and Chauncey Crouse operated a general mercantile business. In 1891 this town hall was built. The hall later served as a fire station and center for community life. In 1970 it became the Florence B. Dearing Museum, honoring the librarian who collected and assembled memorabilia from the Hartland area.
