

## Historical Marker - L1957 - Baumgartner House (Marker ID#:L1957)

### Front - Title/Description

#### ***Baumgartner House***

A native of Bavaria, John Baumgartner purchased this property in Erin Township in 1856, becoming one of Fraser's first landowners. Around 1866 he and his wife, Samantha, moved here with the first three of their seven children. In 1875 they erected this house in the Rundbogenstil (round arch mode), a German architectural style popularized in the United States from the 1840s through the 1860s. The rounded windows, square plan, and perfect symmetry reflect the style. The farm included outbuildings and orchards.
