

Historical Marker - L61 - Four Towns Methodist Church (Marker ID#:L61)

Front - Title/Description

Four Towns Methodist Church

Four Towns received its name because it is near the point where the townships of West Bloomfield, Commerce, Waterford, and White Lake meet. In 1866 a frame schoolhouse was built here, on land donated by Nathan R. Colvin. From that year until 1930 the building served both as a school and church. Since then the building has been used primarily for church activities.
