

## Historical Marker - L1442A - Masonic Block (Marker ID#:L1442A)

### Front - Title/Description

#### **Masonic Block**

Built in 1899-1900, the Masonic Block was designed by Edward R. Prall. The Rochester Building Association raised funds for the project. Among its leaders were William Clark Chapman, general manager of Western Knitting Mills and twentieth village president; Enos R. Mathews, ninth village president and former Avon Township supervisor; and Harvey J. Taylor, a local hardware dealer and farmer. The building's earliest tenants included the Rochester Savings Bank, the U.S. Post Office and the Free and Accepted Masons.
