Fishing Regulations

The Jordan River is a designated Type 1 trout stream from its headwaters down to Graves Crossing. From Graves Crossing downstream to the mouth, the Jordan River is a designated Type 4 trout stream. Please refer to the Inland Trout and Salmon Stream Regulations in the current Michigan Fishing Guide. The fishery here is predominately resident fish, although it is stocked each spring with migratory steelhead.

Directions to Site

The road called Graves Crossing (brown sign on highway) is west from Hwy M-66 about 9.5 miles south of the town East Jordan beginning on South Lake Street. State Forest Campground with dirt parking, a small carry down access for drift boats, kayaks, or other small watercraft.
