

## South Branch Au Sable River Canoe Harbor Campground

---

### ***Fish Species***

Brook Trout; Brown Trout

### ***Species Description***

Wild brook and brown trout are present here. Brook trout up to ten inches are common and brown trout can grow to twenty inches or larger in this stretch.

### ***Geographic Coordinates***

Lat:44.614835 / Long:-84.455731

### ***Noteworthy***

There is cobble, gravel and sand holes in this area. Extensive amounts of wood in the river make for good holding cover and a popular place to fish during the large mayfly night hatches. Wading should be done carefully here. This location is in the Mason Tract of State forest land.

### ***Fishing Regulations***

The South Branch of the Au Sable at Canoe Harbor Campground is a designated Gear Restricted Stream. Please refer to the Inland Trout and Salmon Stream Regulations of the current Michigan Fishing Guide.

### ***Directions to Site***

The access site may be reached from Grayling from the intersection of the I-75 Business Route and M-72, travel 9.2 miles east on M-72 and turn right on South Branch Road. Drive 1.1 miles south, passing the campground on the left. There is a small parking area on the left, with a 30 yard path leading to the stream. You will veer left when intersecting the main hiking trail. Note: There is no parking at the campground for non-campers, the directions above are for the fishing access site which lies just inside the natural area of the Tract.
