

## Bark River OB Fuller County Park

---

### ***Fish Species***

Brown Trout

### ***Species Description***

This section of the Bark River has been stocked annually with brown trout since 2009.

### ***Geographic Coordinates***

Lat:45.573362 / Long:-87.244891

### ***Noteworthy***

A boat launch and camping are both available at OB Fuller County Park.

### ***Fishing Regulations***

Bark River is a Type 1 Trout Stream. For complete rules and regulations check out the Michigan Fishing Guide.

### ***Directions to Site***

From Escanaba, go approximately 16 miles southwest on M-35 (Lake Shore), following the Lake Michigan shoreline. Once you cross the Bark River, take the next left (heading south) onto Highway 35 to enter the OB Fuller County Park. You can access the river by using the right-of-way along the road that is adjacent to the park (park is open seasonally).
