Building Fax: *269-795-7360*

Building Address: *Unknown*

Construction Date: *03/24/1944*

Square Footage: *482*

Historical Cost: *\$5,000*

Leased/Own: *DNR-Owned*

Employees at Location: *No*

Vacant Workstations: *None*

Electricity: *No*

Water: *No*

Heat: *No*

Storage Space: *Yes - Cold*

MISC. COMMENTS

This building served as a garage at the old park Managers residence at 10060 Gun Lake Rd Middleville Mi. 49333. It was excess to the parks needs and a disposal request was approved. It was scheduled for demolition along with the old Park Managers Residence at this same location. After most of the requirements of the disposal had taken place including an asbestos assessment History Division put a hold on the property due to its Historical significance. The building is currently being used by the park to house its winter equipment, snowmobiles, winter sports signs, snow blowers not in use during the summer season. This storage is necessary due to loss of storage facilities due to total loss of the parks shop building in 2005 due to a electrical fire. Picture shows electrical panel but all electrical service and meter was removed pending disposal of the building. The Garage still has the old 100 Amp Square D electrical panel inside. (See picture in pictures)
