MISC. COMMENTS

WLD uses building for storage and furbearer registration. No wildlife staff stationed at this office. Installation dates for furnaces and water heater is unknown. No records kept on-site and may have been moved when FRD no longer occupied building. Roof repair is an estimate based on conversation with WLD and LAW staff. Wakefield DNR sign is no longer in front of building and the office is normally not open to the public, except a couple days a year for furbearer registration. One workstation currently unoccupied.
