

# Cedar River GEM Trail Extension Proposals

Proposed by Escanaba DNR Wildlife  
Staff  
2019 YOE

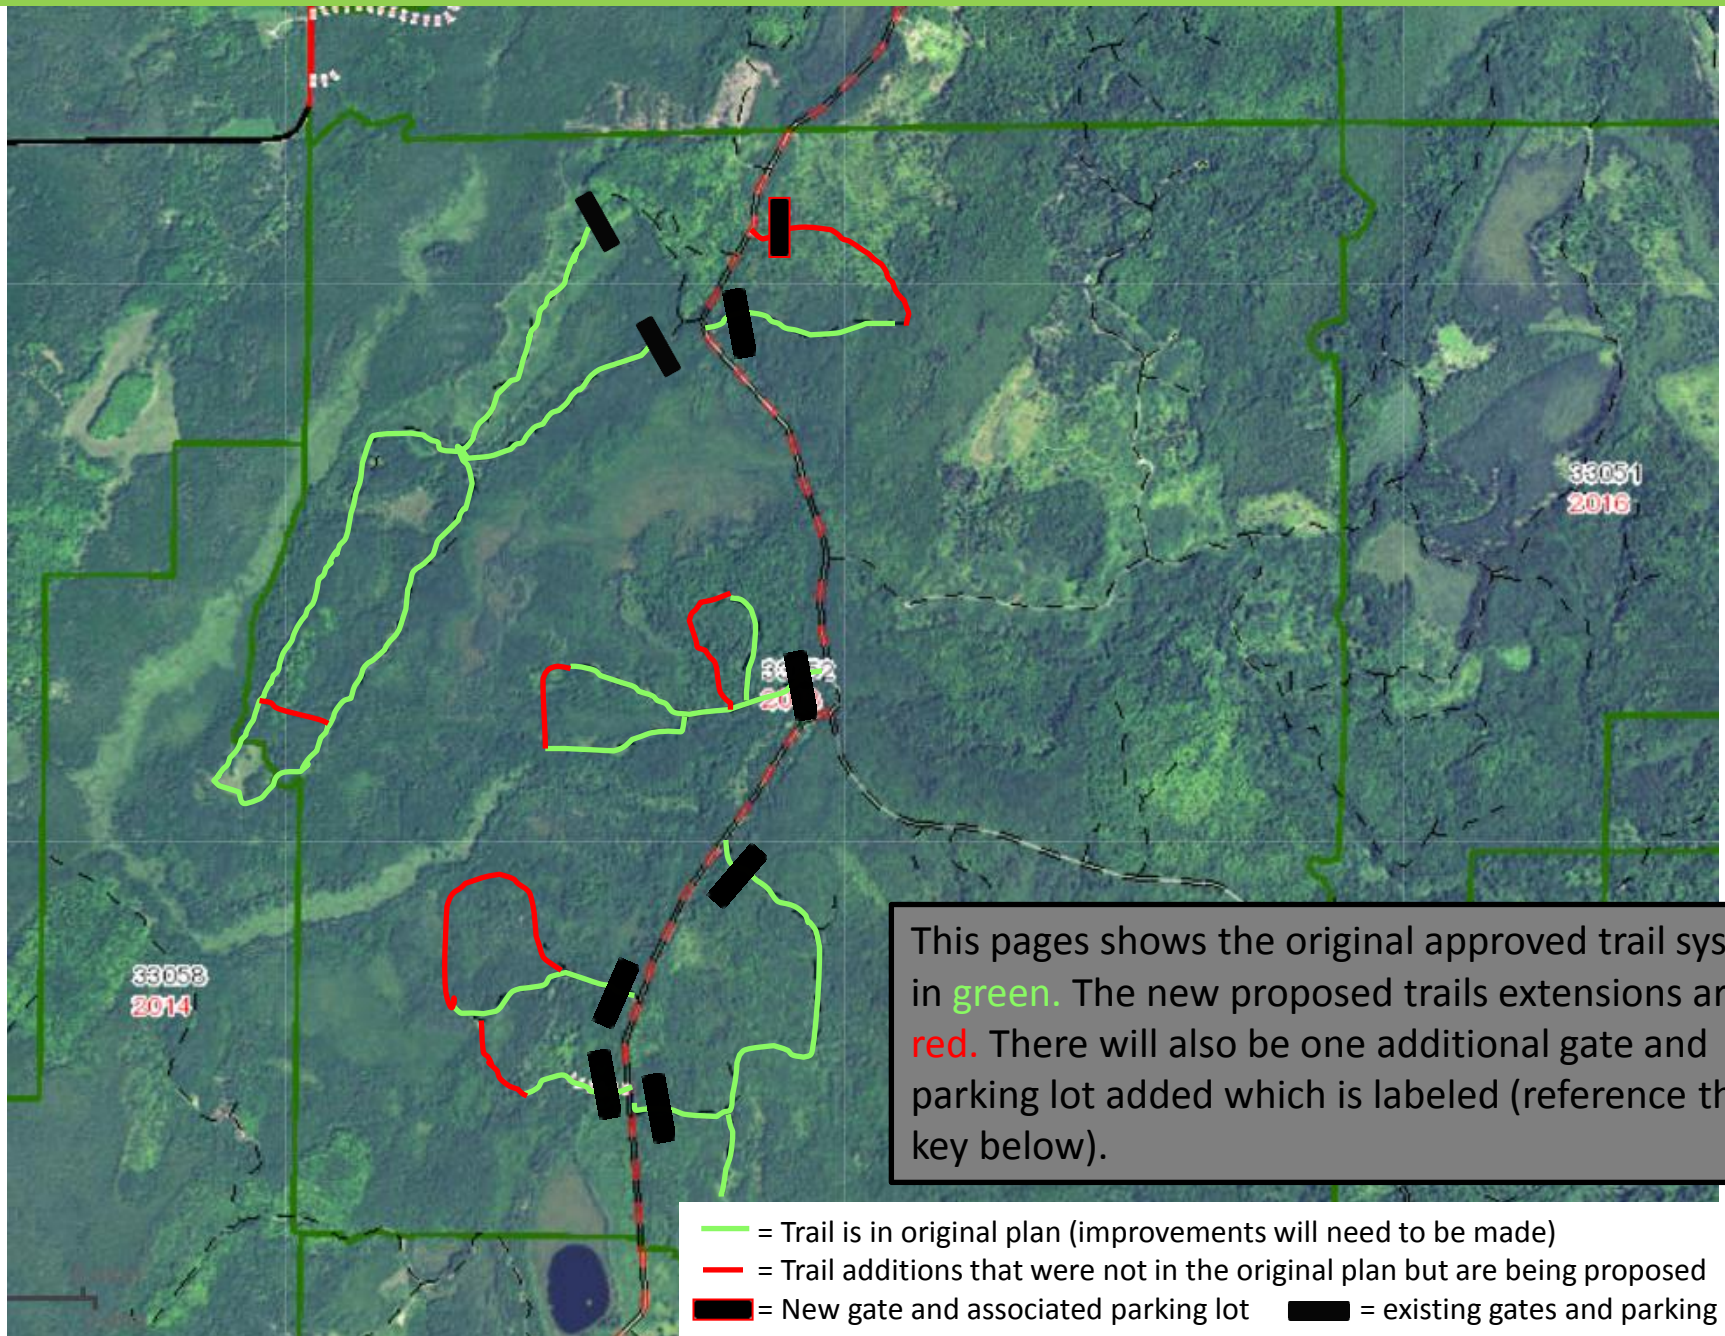

# Original Cedar River GEM Trail Plan

This page shows what the original Cedar River GEM Trail Plan looked like. This trail system was approved along with the rest of the management plan in the 2018 YOE.

# Proposed NEW Cedar River GEM Trail Plan

This pages shows the original approved trail system in **green**. The new proposed trails extensions are in **red**. There will also be one additional gate and parking lot added which is labeled (reference the key below).

- = Trail is in original plan (improvements will need to be made)
- = Trail additions that were not in the original plan but are being proposed
- = New gate and associated parking lot    **■** = existing gates and parking lots
