Compartment 19

Add an opening maintenance treatment for stand #16 (note opening maintenance may be any of the following: mowing; planting grasses; prescribed burning or herbiciding).

Compartment 23

Stand 33 – Add a comment to leave the best quality oak at the highest amount practicable.

Compartment 34

Add opening maintenance treatments for stands #3,20, 38 and 39
Add comments to next steps to evaluate whether oak regeneration is sufficient after the harvest. If too low, add acorn planting.

Compartment 46

No changes

Compartment 67

Stand 19 – Add a comment to plant without trenching
Stand 22 – Add a comment to plant white pine without trenching.

Compartment 77

Compartment 111

Add comment to determine at time of sale set up if eagle nest in vicinity of stand 24 is an active nest.
Stands 20, 24, 29 - Add a comment to use logging slash to block illegal ORV trails.

Compartment 117

Stand 41 – Add a comment to protect non-forested openings adjacent to sale areas.
Stands 29, 39 and 38 – Add opening maintenance treatments

Compartment 122

No changes

Compartment 139

No changes

Compartment 148

Stand 48 – Add opening maintenance treatment
Stand 37 – Add comment that area is being left untreated to protect the dike.
Stand 49 – Add a comment to avoid soil disturbance to protect the dike.

Compartment 163

Stand 8 – Check the database for a comment that there are warblers in the adjacent stands.

Compartment 168

No changes

Compartment 171

Change “legacy” to “supercanopy” red pine

Compartment 182

Stands 26, 33,39 – Add opening maintenance treatments.

Compartment 188

Stand 47 – Plant acorns after harvest

Stand 51 – Check after harvest for sufficient amount of oak. We will need to decide what the acceptable threshold will be. If the oak amount is too low, plant acorns, if it is not too low, manage as a mixed pine-oak stand.

Compartment 196

No changes

Approved Road/Trail Closures

Robinson Lake Road near Forest Fire Experiment Station – Road is being used to access a sandpit that is being used for target practice. Local neighbors have complained that this is a safety hazard to their nearby neighborhood.

Ogemaw Township – This trail has been requested for closure by Ogemaw Township because it is eroding onto a local county road.

As the Compartment Review Meeting Facilitator, I certify that the above changes have been agreed to.
