

# C54-1205

Page 1 of 1

County Montmorency	Town 32N	Range 03E	Subdivision Sec. 30	YOE 2021	Compartment(s) 72	Stand(s) 11
-----------------------	-------------	--------------	------------------------	-------------	----------------------	----------------

Cover Type Objective:	PLANTED RP	Acres:	<b>40.6</b>
Approved Methods:	Use any appropriate site preparation method per TMS.		
Treatment Number(s):	54072011-Prep		
Timber Sale Number:	Long Haul Mix 54-007-21		
Sale Admin Staff:	Natzke		
Contract TCR Date:	02/01/2023		
Comments:	Gently rolling upland chip harvested autumn 2022. Scattered hemlock left standing. Best access is likely a closed road that eventually intersects CR 628. Road work will be necessary.		

Proofing Comments	
Recreation:	None present
Water:	None within 500-ft
HAL:	None within Rx areas
MNFI:	None within Rx areas
Other Comments:	Other access may be from the west over a beaver dam or an old haul road to the north
