MNFI: No known occurrences 12/10/2024		
Drafted & Reviewed:12/10/2024 DKC		

Implementation Notes

Comments: No pipelines or other utilities exist along county roads. The RP planting units within the sale were harvested in fall 2024. Stands were not chipped and are ready for trenching. Oak conversion in stand 56 is heavy to slash. Stumps are very low with slash spread out well. Stand 47 has rolling terrain, rest are flat. Landings were located adjacent to access roads.
