HAL: None		
MNFI: None, Blanding's Turtle hit 300 away out of RX area to sw		
Drafted & Reviewed: 01/20/2026 DKC		Approved Methods: Chop, Trench, Spray and Plant to RP at standard spacing per TMS specifications.

Implementation Notes
Comments: FTP Name: Grass Lake and Lund RP. These stands were cut in 11/2024. The timber sale contract Grass Lake and Lund Pine is not closed yet. Old landings may need some minor leveling of small chip piles and stump spreading if purchaser has not moved back into the sale before work begins. Stump heights are very low and terrain is flat to slightly rolling in the north. Roller chopping is not needed. Stand is rolling to flat. Do Not trench through any roads or recreational trails. Oil and gas lines present within or near existing roads. No other utilities present.
Planting treatments were approved through Compartment Review.
MIFI Start Date: 10/01/2026
