Drafted & Reviewed: 03/23/2024 GLP		

Implementation Notes

Comments: Snowmobile Trail is present along Vaughn Rd and FR 4460. An ORV trail is present south of the treatment area. The isolated two stands may be accessed through the approximate indicated skid trails through the thin jack pine left in between stands. Stand 21 and 39 have some steep slopes. TMS may want to visit site to determine operability. Sale was chipped and stumps are low.

MIFI Start Date: 10/01/2023
