Stands 19, 28 & 34 were cut summer 2024. Stand 26 was cut fall 2018 & the natural regen failed so it will be converted to RP. Leave open the mapped roads. Trench through to close all of the unmapped illegal trails in stand 34. Stay out of the maintained Wildlife Opening by stand 19. Do not operate equipment in the upland shrub opening excluded from stand 34's harvest: part of that area was an old stump dump and part of it is a protected site.
