Approved Methods:

Trench to opposing wave pattern and plant for KW habitat. Roller chopping & herbicide use were also approved but will not be needed.

Acres: 279

Timbersale number: 72-039-21

Sale admin staff: Charlebois

Harvesting completed by: Fall 2023

Contract TCR date: November 20, 2023

Comments:

The two forest roads mapped east of Goose Creek Road are proposed for closure. If approved by Land Use Order of the Director (LUOD) in February 2024, trench through those segments to close them. Also trench through the unmapped user-created illegal ORV trails that spur off of those mapped roads. Leave open the mapped road on the west side of Goose Creek Road. Protect survey corner witness trees that were left within the harvest area.
