

Objective: Planted red pine.

Methods: Trench then plant to red pine. Push trench line all the way to treatment edges.

Location: Cheboygan County, T34N R01E, Sections 21 and 28

Comments: Clearcut in the winter of 2025-26. Ice salvage sale. No chipping took place so there is a lot of slash. Lots of snow on the ground during the harvest so there may be a lot of high stumps as well. Terrain is flat. The northern unit is 11.4 acres in size and borders private property to the south. The southern unit is 12.5 acres in size and borders private property to the west.
