Objective: Planted red pine. Treatment areas highlighted in red.

Methods: Trench where applicable, then plant to red pine. No herbicide.

Timber sale information: Ice Lobsta' Pine (#53-011-25). Bought by Timberline, harvested and chipped 2025. Clearcut, leave all hardwood trees greater than 9" dbh or any white pine.

Location: Montmorency Co, T32N, R01E Sec 18, 19, 30

Terrain: Gently rolling

Recreation: None

HAL: None

Fisheries: Blue Lakes are nearby, but treatments are not within influence zones

MNFI: Treatments fall within large polygons for Wood Turtle and Little Brown Bat.

FTP comments: Trench all areas except for those deemed unnecessary by operator. Do not trench through areas of immature white pine that were protected from harvest.
