TIMBER SALE PROSPECTUS #5606

REVISION NOTICE #2 - April 12, 2016

SCHEDULED SALE DATE AND TIME: 3:00 p.m. (local time) on Tuesday, April 26, 2016

LOCATION: INDIAN RIVER FIELD OFFICE, 6984 WILSON RD, INDIAN RIVER, MI 49749

This prospectus has been modified with the following changes.

The previous revision to this prospectus contained a few errors. ANOTHER ASPEN CLEARCUT timber sale (52-118-15) and FROST TRAIL MIX timber sale (52-121-15) did not have their conditions and requirements modified. No changes were made to these contracts.

UMBELLUS ASPEN timber sale (52-105-15) conditions and requirements were modified. We've added the following requirement:

2.2.8 - Utilization and removal (5/14)

All products not meeting standards set forth in General Condition and Requirement 2.2 - Utilization may not be removed from the sale area, e.g. tops. Retain on site more than 1/6 of the slash from harvested trees (tree tops and limbs less than four inches in diameter). This is because of certification standards.

In addition, for the FROST TRAIL MIX timber sale (52-121-15), the expiration date has been updated. The sale expiration date was 06/30/2016 and this has been updated to 06/30/2019.

We apologize for any inconvenience this may have caused. If you need assistance, please contact Shannon Harig at 231-238-9314 ext. 4742.
