This prospectus has been modified with the following changes.

The Frank's Oak and Aspen timber sale (63-042-18) has been withdrawn from this prospectus. There were mismatches between the advertised volumes and the species included in the sale specifications:

- Payment Units 1, 2, and 3 included a total of 74 cords of white pine pulpwood in the volumes, however white pine is not Included Timber.
- Payment Unit 3 included 56 cords of mixed oak pulpwood in the volumes, however oak is not Included Timber in Payment Unit 3.

The volumes for the Frank's Oak and Aspen timber sale will be corrected and the sale will be re-advertised soon.

We apologize for any inconvenience this may have caused. If you need assistance, please contact Staniulis, Di Ann at 231-745-4651 ext. 6925.
