

## Muskegon River Holton-Duck Lake Road

---

### ***Fish Species***

Brown Trout; Steelhead

### ***Species Description***

Lake Michigan spawning runs of steelhead, Chinook salmon and brown trout.

### ***Geographic Coordinates***

Lat:43.297991 / Long:-86.078974

### ***Noteworthy***

Steelhead fishing occurs from late October through May, brown trout from late October through mid-December, and Chinook salmon during September and October. Fishing occurs primarily from small boats. Bait, lodging and food available in nearby Muskegon.

### ***Fishing Regulations***

The Muskegon River in this area is designated a Type 3 trout stream. Please refer to the Inland Trout and Salmon Stream Regulations in the current Michigan Fishing Guide.

### ***Directions to Site***

From the intersection of US-31 and M-46 (Apple Avenue) in Muskegon, on M-46 travel east 7 miles to Maple Island Road (B31), then north 6.8 miles (crossing over the river) to Sweeter Road, then west 2.1 miles to Holton-Duck Lake Road, then south 1.7 miles to the access site at the end of the road.
