MISC. COMMENTS

LED officers occassionally utilize the office building when they need to do paperwork or other items but mainly work out of their homes. Under storage space section it is wood base with tile on top. Photographs were taken but files are unable to be downloaded for some reason. We've tried numerous times so will add them during the next go-round or sooner if possible. We've tried two different sets of prints to try. On 3/21/13 we entered some new photos, finally!
