		1 :					
		1 :					
SPECIES TO FAVOR:							
Sugar Maple							
SPECIES TO FAVOR: Yellow birch, cherry							
SPECIAL MARKING INSTRU							
		need a single slash or d	ot mark on opposite sides				
at breast height. Sawlog	g trees need a double sla	sh on one side, and on th	e opposite side, a single				
slash plus a dot for each 8 foot sawlog. Stump marks must hit the duff and be on bark, not moss.							
Unless otherwise specified, the f	tally sheets used must be those <b>p</b>	provided by the Forest, Mineral an	d Fire Management Unit.				
RESTRICTIONS:							
1. Forest, Mineral and Fire Management Division must to be able to identify who did what on the timber sale.							
2. The contractor may not have more than two markers in one payment unit without prior approval.							
3. Each marker should have an assigned area to mark (not strips).							
PAINT:							
1. Call Kevin LaBumbard at (906) 346 - 9201, to make arrangements for paint.							
2. Paint will be supplied from Ishpeming or Gwinn Field Offices.							
3. Contractor's work schedule must coincide with the DNR work schedule for paint supply.							
<ol><li>The DNR will not be available on weekends or evenings.</li></ol>							
DELIVERABLES:							
<ol> <li>A list of names that marked or cruised each payment unit.</li> </ol>							
2. A summary of paint used in quarts.							
3. Tally summaries for each payment unit (one summary regardless of the number of markers) and all of the original							
tally sheets.							

4. GPS files for any GPS work.
