Standards for marking lines against private land

In stand 78, run private property lines and paint the boundary with blue paint. The private line in stand 101 will already be painted in by DNR personel. Any corner markers must be protected. Witness trees discovered during the course of sale preparation must be protected by painting a ring completely around the tree 4-6' above ground level with either red paint (corner surrounded by state lands) or blue paint (corner on private property boundary line).
