SPECIFIC RULES AND PROCEDURES:

1. During the Allegan Local Goose Management Unit (GMU) season, you may not enter any area posted "State Game Area - HUNTING BY PERMIT ONLY" without a valid permit. **Permits are issued at the Allegan SGA Fennville Farm Unit Headquarters located on 118th Avenue, about 1 3/4 mile west of 57th St.**
2. Any alterations to any permit not endorsed by DNR personnel render the permit invalid.
3. During Allegan Local GMU season, a general drawing to issue daily hunting permits will be held each day. Gates into the drawing area will close each morning at 5:30 a.m. or 11:00 a.m. Drawing times are stated in the annual Waterfowl Digest. The entire party must arrive and receive a registration card before the drawing, to be eligible for that day's drawing. Once the gates are closed, the hunt party order for choosing hunting posts or zones will be assigned by posting random number lists, during the announcements of special conditions.
4. All parties registered and present at the general drawing have an equal chance for permits.
5. At drawing time, assemble at the office. When your draw number is called, you must enter the office to choose a zone, or re-issue. **Your card must be completely filled out for all members of your party at this time, and all members must be present, or your party will be ineligible.** When you have chosen a hunting station, your registration card will be validated as a hunting permit, and the back portion will be returned to you.
6. Hunting parties must have a valid daily permit in possession while hunting geese and must hunt from within the Farm Unit zone corn strips, where provided. Permits are valid for waterfowl only, and only hunt from the hunting station as designated on your permit.
7. No person may have in their possession or fire from their shotgun, while afield in a permit area, more than 15 shot shells while hunting under authority of a hunting permit. No lead shot or lead buckshot may be in possession – see #1 below.
8. The hunt is terminated upon leaving the assigned hunting station (except during setup or to retrieve downed game).
9. Goose hunting ends at 2:00 p.m. on days with 5:30 a.m. drawings, and goose hunting ends at closing time on days with 11 a.m. drawings. Morning and afternoon youth waterfowl hunts may not be on the same day – ask office for details.
10. Hunting permits must be returned to the Fennville Farm Unit Headquarters with all hunting information completed before leaving the Managed Area. Failure to complete and/or return hunting permits may result in a citation and/or restriction of further hunting opportunities on the managed area.
11. Any hunting stations left open following a drawing, or as hunters return hunting permits, will be issued on a first-come, first-served basis through re-issue until 11:30 a.m. on days with 5:30 a.m. drawings and until 2:30 p.m. on days with 11:00 a.m. drawings.
12. Youth Day(s) shall be as posted. ONLY hunting parties of a maximum of 6, with up to 4 youths (10-16 yrs old) accompanied by 1 or 2 adults (17 yrs or older) with appropriate hunting licenses and stamps will be eligible for the general drawing and day's hunt.
