RE: 2017 Line 5 Anchor Installation Project
Emmet and Mackinac Counties, Michigan
MI DEQ and USACE Joint Application

Dear Ms. Kuhne:

Enbridge Pipelines (Lakehead), L.L.C. (Enbridge) is submitting the enclosed MI DEQ/USACE joint permit application and supplemental information seeking authorization under Nationwide Permit 3 to conduct maintenance on the existing Line 5 20-inch pipelines by installing 22 helical anchor support structures within the Straits of Mackinac. This project will be conducted from a barge and is scheduled to begin in July 2017.

If you have any questions or require additional information, please contact me at (218) 464-5632.

Sincerely,

Shane E. Yokom
Supervisor Regional Support
LP US Environment
